**FRIDAY IS THE DAY
OF THE BIG GAME**

Garden City Team Comes to Meet
Liberal High School Foot
Ball Team.

GARDEN CITY AN UNDEFEATED TEAM

This Will Really Be a Championship Contest as Garden City Has Met and Defeated Many Good Teams And Has Not Been Beaten This Season.

The Garden City football team will come for a game Friday with the Liberal High School team.

Garden City has a good record, has met some of the strongest teams of the country and has not yet been defeated. If Liberal takes the game Friday it will make them champions of a large territory.

The fellows have been working hard for this game and are in good condition and they will go onto the field with the determination to take the game if skill and energy can do it.

One thing which will contribute much to the success of the team is good support on the side lines. Should there be a crowd such as attended the Pratt game it would go a long way toward winning the game. It is not only encouraging to the home players, but puts the visiting team at a disadvantage to have a loyal crowd of home rooters yelling their heads off.

We hope to see the equal of the crowd which witnessed the games with Pratt and Dodge City as there is no doubt but what this game will be equal to those.

Come out Friday and help Liberal take one of the hardest games of the season. It will be a real contest from start to finish so be on hand early and show the boys your're for them.

The Democrat is pleased to hear of his success even if he did run on the Republican ticket.

CHAS. SIEFERT KILLS HIMSELF

Farmer of Near Preston Committed Suicide at His Home This Morning. Used 12-Gauge Shotgun

Coroner J. L. O'Dell and Sheriff J. M. McCool were called to Preston this morning by a message that Chas. Siefert, age 37, a farmer of near Preston, had committed suicide. Coroner O'Dell held an inquest over the body and returned a decision that the deceased had come to his death by his own hand.

The act was committed about 7:30 this morning. Siefert had gone to the barn and went up into the loft. He used a 12-gauge shotgun, shooting himself just below the chin. The charge of shot tore away most of his face and the top of his head.

Siefert lived two miles west and one and a quarter miles south of Preston. His wife died about two years ago. He leaves several children.—Pratt Tribune.
